News: 2022 and 2023

The Caduceus Club was able to award Carey Phillips Travel Fellowships this year. We are always impressed with the intellectual caliber and ambition of our recipients. This year was no exception! Our recipients presented an abstracts and publications at conferences around the country. Topics included syphilis screening in the Emergency Department and Disruptive

Behavior:
Impact on DEI in Radiology. Two of our recipients attended the

American College of Radiology Annual Meeting which included a day spent in exclusive presentations and meetings with policymakers on Capitol Hill.

One student will be studying at Cambridge Judge Business

School for his MPhil in Management to further his leadership skills.

This student also founded The Compassion Closet - a program that ensures every patient is discharged with dignity by providing new,

weather appropriate clothing to trauma and Emergency Department patients whose clothing is cut off, soiled or damaged. We look forward to watching all of them excel in their careers.

We are hopeful to see more of our members in person in 2025!
